Annie Blossom is a registered trademark.

of MANTARAN ANHADREET Technologies Private Limited.

We have been manufacturing high quality products since 2017 and providing them at pocket friendly prices. To reach the maximum number of consumers directly and fulfil what we started, we have started our in-house E-commerce website with a wide range of products: www.theteghdigitalstores.in.

We provide skill development training and in-house jobs for the training we provide. We create opportunities for newcomers to become Entrepreneurs. We also help in fundraising for Entrepreneurs, Education Institutions, NGOs and Green Projects. We are a part of an Esteemed group MAG Group of Companies India to promote many green projects introduced in many countries by them.

Immerse yourself in a cinematic spectacle with our

every scene unfolds in stunning detail and vibrant colors. Its expansive display brings movies to life, offering a viewing experience that rivals the theater—all from the comfort of your home. With smart technology at your fingertips, dive into endless entertainment and enjoy a seamless, ultra-high-definition journey into storytelling.
